

# Coalition Against LA Fitness Petition

By signing this petition, I agree that I have read and understand that I am not in favor of the proposed LA Fitness Center to be built at The Shops at Rossmoor behind Sprouts. I agree that it is not in the best interest of area residents. The Coalition Against LA Fitness has reviewed various plans for the project and has serious concerns about the size and negative impact this project will have. These impacts will be permanent and will affect emergency services, air quality, noise, property values, crime and traffic congestion. The health club will generate 1,500-2,000 extra daily car trips into this already congested area. Preventing this development is about maintaining quality of life, maintaining property values and ensuring safe roads for children going to and from school for the residents of Rossmoor, Los Alamitos and Seal Beach. Please donate and share this Go Fund Me effort - <http://bit.ly/calafsb>. Join the Coalition Against LA Fitness Facebook Group - <http://bit.ly/calaffb>. Look for updates on upcoming Coalition meetings and events at: <http://coalitionagainstlafitness.org>. Please direct questions to the Coalition via their Facebook page or email them directly to: [coalitionagainstlafitness@gmail.com](mailto:coalitionagainstlafitness@gmail.com).
